Lloyal Harris
Guard

BASKETBALL "A" SQUAD

LENES has played three years on the team and showed himself so valuable to the team that he was elected captain. Jimmy's quick pivots and good shots contributed immensely to the Aggie victories.

McNELLY played his first year with the Aggies and quickly found his place. Dean's height rated him high as a perfect center.

TORFIN has played two years on the team and can dribble the ball like a professional. Ivan has plenty of speed and knows all about those swift passes that bring the baskets.

MATTISON has only been here a half year but has shown great ability in handling the ball. Carlea is now one of the leading players on the team.

BENTHAGEN is new this year but he has proved himself to be a great asset. George has plenty of speed and knows how to register those baskets.

HARRIS has been a squad member three years. Lloyal's aim to succeed always encouraged the rest of the team on the Aggie squad.

HOMDROM'S height and his ability to gain control of the ball aided his team to victory. Clarence has been here only one year and has demonstrated his talent.

LaPLANTE has been playing regularly on the team for two years. Don is fast and full of determination to win the game for the Aggies.

STRAND is right there in every game and has shown a great deal of ability. We are expecting even more next year, Silas.

ASCHBACH may be small but he has everything when it comes to basketball. Wallace is a tricky little ball handler and an inspiration to everyone.

GIBBONS is full of determination to do his best on the floor. Melvin is a good prospect for next year's team.

LOYD is new this year but he has proved to be an excellent player. Harold is full of speed and shows great ability in handling the ball.
