

"Farm Animals That We Have Known!"

**CHIPPEWA PIEBE BURKE**

A pure bred Holstein cow. Her 1912 record of 13,398 pounds of milk and 426 pounds of butter-fat excites our admiration.

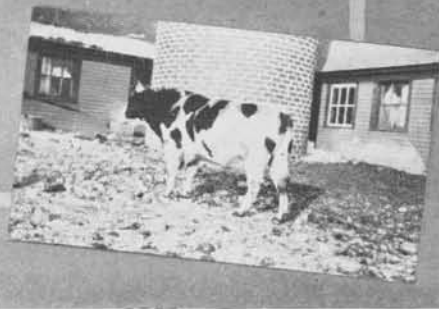

**PET'S PLUM**

A pure bred Hereford cow. As a heifer, she was Champion Senior Yearling at 1911 Minnesota State Fair.

**BELLE'S BEST**

A pure bred Duroc Jersey sow. Her 1912 offspring brought nearly two hundred dollars.

**SIR HEILO JOHANNA DUCHESS**

The station herd Holstein sire. He has a very fine ancestry of high producing animals.
