

1913 Class Song

Words and Music by Miss Frances Hovey,
Director of Music
Northwest School of Agriculture

We've spent three years of pleasure
And profit, as you know,
We wish we might stay longer
And yet we wish to go.
Our work has been most pleasant,
Our teachers patient, too,
Our school mates the best ever
There's not much then to rue.

Our school days now are over,
We've come to say farewell,
We're leaving many friends here,
Friends we love so well.
Each hall upon this campus,
Holds a memory dear
We'll remember Alma Mater
Minnesota dear.
