A COMPLETE AND UP-TO-DATE
MOTOR WAGON

I. H. C. products have gained a reputation for serviceability and the International Motor wagon is no exception. No expense has been spared to make it the best on the market. In offering the International Wagon to the public we are doing so with full confidence that we are offering the best. You take no chances, you will make no mistake in purchasing one of these cars.

Our long years of experience on building machines has put us in a position to build a car that is giving entire satisfaction.
