J. P. BENGTON

Bengtson, in entertaining, he  
is great.  
That is what the boys say  
who come home late.

MISS FAITH S. BROWN

A great English instructor is  
Miss Brown,  
When we say "Ain't" how  
she does frown.

Deitrich teaches about live  
stock and feeds,  
And figures out rations ac-  
cording to their needs.

WM. DIETRICH

Miss Hovey with her music  
always charms.  
To sing like her, we'd give  
our farms.

MISS FRANCES HOVEY

Mr. McCall, who knows ev-  
ery flower and tree,  
Is willing to give advice to  
all free.
