J. P. BENGTSON

Bengtson, in entertaining, he
is great.
That is what the boys say
who come home late.

MISS FAITH S. BROWN

A great English instructor is
Miss Brown,
When we say "Ain't" how
she does frown.

Deitrich teaches about live
stock and feeds,
And figures out rations ac-
cording to their needs.

WM. DIETRICH

Miss Hovey with her music
always charms.
To sing like her, we'd give
our farms.

MISS FRANCES HOVEY

Mr. McCall, who knows ev-
ery flower and tree,
Is willing to give advice to
all free.
