O. I. BERGH

Otto Bergh in speed he has
not won great fame;
But goes slowly and gets
there just the same.

MISS MABEL H. OLSEN

To Miss Olsen very much
thanks we owe,
For she has made us mas-
ters of dough.

Mr. Sargent, our dairyman
so great,
His butter is the best in all
the state.

Miss Kadlec drives away all
diseases.
She cures with a smile
whenever she pleases.

Carl Berg, in blacksmithing,
he sure is great,
Teaching the freshmen both
early and late.
