REETINGS TO THE MEMBERS OF THE CLASS
OF 1915:

William Penn said: "The Country is both the philosopher's garden and library, in which he reads and contemplates the power, wisdom and goodness of God." May you return to country life with increased intelligence, keener interest and renewed enthusiasm, resolved to do all in your power not only to increase harvests of grain, but those of neighborliness and good will!

Your sincere friend,

George E. Vincent.
