"Aggie" Basket Ball Team

More interest than usual was shown in the first team this year due to the fact that it was to consist of an entirely new five as all of the old men had left. Coach O. L. Buhr had charge again, and called for candidates early in the season. From the men who reported, he selected Lindberg and Johnston for forwards, Ole Pederson for center, Starr and N. Johnson for guards and Stenseth and Grandy for substitutes.

Much work was necessary to get the team into shape for their first game. Consistent and diligent practice did the work, and just before the holidays the team lined up against a team from Crookston, consisting of former stars of this school and some Crookston men. The "Aggies" displayed their knowledge of the tricks of the game and won by a score of 37-8, thus giving an indication of what they could do. Work was resumed immediately after the holidays, and they won their first game against the Model High of N. D. University, Grand Forks, by a score of 28-14. The other games are shown in the scores on another page. The playing of the team at times was brilliant and showed perfect team work with each man playing a star game. The best example of this was the victory at Grand Forks with the high school of that city, score 38-25. The team had the support of a loyal crowd of rooters, about sixty strong, and their playing bordered on the sensational. Other games were not so well played, and account for the two defeats registered. Considering the fact that the team was composed of new material, the record made speaks for itself. The men worked hard and came out on the best end in a large majority of the games, thus upholding the reputation of the school by their fast and clean work.
