

ORGANIZATIONS

The class games played so far have been very spirited, and the rooters have always been on duty. The results are as follows: 1st game, Seniors won over Juniors; 2nd game, Freshmen won over Juniors; 3rd game, Seniors won over Freshmen; 4th game, Juniors won over Seniors.

Two girls' basket ball teams have been organized. They played a very lively game on Feb. 22. Arrangements have been made for playing outside teams.

THE CADET CORPS

Military drill, as given at this school, is required of all male students physically able, unless they are members of the school band. They provide themselves with a uniform, while the guns and other equipments are furnished by the government.

The ideals sought for in drill are discipline and the co-ordination of mind and body and a graceful and manly appearance.

Cadets showing progress and ability are promoted to commissioned and non-commissioned officers.

The non-commissioned officers are corporals, first and second sergeants, first and second lieutenants and captains.

Walter Peterson attained the position of first lieutenant and Harold Morris that of first sergeant during the school year of 1915-16.

In the annual competitive drill down last year, Walter Peterson was awarded first place and given a handsome gold medal, while Harold Morris received special mention.
