

1920
AGGIE

R. R. SMITH
Agronomy

Two cannot live on what one can, but
the living is better worth while.

LOUISE PEDERSON
Music

How music that stirs all one's devout
emotions blends everything in
harmony.

T. M. McCALL
Horticulture

He was ever precise in promise keeping

MILLARD PECK
Gas Engineering

Virtue is the title of nobility.

CASSIE BALL
Sewing Department

Lavish smiles, attractive grace
And talents fit for any place.

C. E. BROWN
Poultry

And still his tongue runs on, the less of
weight it bears, the greater ease.
