

Basket Ball

The basket ball season opened with much enthusiasm among the boys who turned out for practice. Under the direction of Mr. Smith, our coach, the boys developed rapidly in skill and endurance, and now they can hold their own with some of the best high school teams.

Early in the season, all the days available for games were taken up. This full schedule shows an eagerness on the part of the high schools to revenge themselves for the many defeats that they have suffered at our hands in former years. Many teams played our boys with the assurance of a "walkaway", but, needless to say, had to reverse their opinion when the scores were counted.

Except for a two weeks' vacation in February on account of the "Flu", this has been a very good season and much enthusiasm has been shown among all the students.

JOHN SWIERS, CENTER

He is long, but "Oh! My", it was the "Tip-Off" that worked the signals.

ARTHUR ANDERSON—R. F.

CAPTAIN

As a clever, diplomatic, clean, stellar fellow, "Andy" made his mark with the spectators, the school and the team in envious style. As a captain we will never forget him.
