LELAND LINCOLN - - Stephen  
 "The National Farm Bureau Program"

Lincoln wastes no time or energy,  
 because he plans and thinks.

KENNETH MONSON - Orleans  
 "Raising Sheep in the Red River  
 Valley."

He obeys the law of loyalty and he  
 obeys all the other laws of a good  
 American.

HERBERT REMICK - - Mentor  
 "History of the Shorthorn Breed."

Studying would kill me—if I let it.

MAURICE BURSHEIM - Winger  
 "The History and Development of the  
 Hereford Breed of Cattle."

I say, I will, because I know I can.

MYRTLE ERICKSON - Goodridge  
 "Social Life on the Farm."

Laugh and the world laughs with  
 you.

HENRY FERGUSON - Clearwater  
 "What are the Requirements for Qual-  
 ifying as a Federal Accredited Herd?"

He is jolly, he is gay,  
 He is a fine boy, they all say.
