The Young Men's Christian Association is an organization of men students who seek to establish and maintain the highest Christian standards and ideals among the men of the student body. Meetings are held every Wednesday evening, Bible classes are held every Sunday morning and a joint meeting with the Y. W. C. A. in the auditorium each Sunday evening, when addresses are given by the faculty and by outside speakers. Norman Friday attended the state convention at Faribault, and on his return gave a very inspirational report before the Sunday evening assembly.

Y. W. C. A.

The Y. W. C. A. aims to maintain the best Christian ideals among the girls and women on the campus. At the opening of school, new girls were met at trains and directed about the school by the upper classmen.

Meetings were held on alternate Sundays, followed by a social hour, which included hikes, candy-making, games and music. Bible Class was held on Sunday mornings and joint meetings of the Y. W. C. A. and Y. M. C. A. were held each Sunday evening.

The Chinese Famine Fund was aided during the year. Plans were made also for sending of a delegate to the summer Y. W. C. A. conference.

Due to the untiring efforts of every member and especially Miss Ward, our advisor, our club has been successful in "measuring up" to the North Central Field Measuring Rod.
