

If You Must Make Your Own Way

you are fortunate. For, necessarily, you'll learn good habits as you go. One of the best habits is that of banking your money steadily. A savings account and later a checking account are aids to sound financial management.

Graduation Bouquets

The ideal graduation bouquet is a liberal arrangement of Carnations or Roses, with Asparagus Sprays. This is just a suggestion of many simple but effective forms one can make up to your order for graduation day.

This is the greatest occasion in the young lady's life, and she will remember that bouquet perhaps long after the diploma has been forgotten.

Have us make up something specially pleasing for her for the great day.
