Poultry Eggs and Seeds

Sing a song of poultry
Cackling in the yard;
Though the Biddies laid well,
Cash came awful hard
'Till my eyes were opened;
Now I shout and sing
Because my eggs are graded
And handsome profits bring.

Sell graded eggs and plant pure seeds.

FARMS and DOLLARS

The study of agriculture, one of the world's oldest vocations, holds much of interest for the student. Knowledge and good management make land more productive and increase farm prosperity — the basis of all prosperity.

To hold the advantage of an increased income, a part of it must be saved. As you study farming, study also good money management and the art of saving. Build a reserve fund in this progressive and dependable bank.
