

When Prof. Boss Visited the Northwest School

ON January 21 the Northwest School was honored by a visit from Prof. Andrew Boss, who spent a busy day while here. The climax of the day spent with us was at a 6 o'clock dinner given in his honor by Superintendent and Mrs. C. G. Selvig. The men of the faculty were present. Individual place cards for each one, drawn by Mr. Foker, were decorated with a sketch of the favorite pass-time of the guests who were present.
