Junior Class History

THE Class of '26, with the aid of Mr. and Mrs. Dunham as advisors, re-organized in October. Harold Walters was elected president.

As Freshmen they surprised everyone by winning first place in the field meet, and second place in the song contest.

To the Junior Class goes the honor of winning first prize in the Home Project work. Caroline Hruska won the cup for the girls and Lawrence Letness won the cup for the boys. The one hundred dollar cash prize, offered by the Minneapolis Journal for the best calf at the State Fair in 1924, was won by Lawrence Letness.

Although the Juniors are fewer in number than last year, they look forward to the many victories which the future holds for them.

CLASS OFFICERS

HAROLD WALTERS.....	<i>President</i>
