

TEAM IN ACTION

high spirits and succeeded in carrying the ball over the line for a touchdown in the first few minutes of play.

The Aggies received the ball and marched up the field using practically nothing but straight line bucks. Within a few yards of the goal, a fake play and a forward pass resulted in a touchdown for the Aggies. The score was 6 to 6 in the first half.

In the second half, the Aggies again carried the ball over. Both goals were threatened several times although the Aggies had the ball in Warren territory the greater part of the game.

WEST CENTRAL AGGIES 0, CROOKSTON AGGIES 34

On Saturday, October 18, before the large Home-Coming crowd, the Crookston Aggies defeated the Morris Aggies.

This was the first athletic event ever held between the two sister schools and it is hoped that this will become an annual event.

Both teams were quite evenly matched in weight, but the Crookston Aggies seemed to have the greater driving power. The Morris Aggies relied upon their forward passes, while the Crookston Aggies used mixed foot ball.

The first touchdown for Crookston was due to Morris' not knowing the rules. The other touchdowns were gotten by mixed football, although an intercepted pass resulted in a touchdown. The Crookston goal line was threatened several times although the ball was in the visitors' territory the greater part of the time.

CROOKSTON HIGH SCHOOL 6, AGGIES 16, AT CROOKSTON

The Northwest Aggies defeated the Crookston High in one of the hardest fought games ever played between the two schools. Being old time rivals, both teams went into the game with the determination to win.

The Aggies kept the lead throughout the whole game. They made their touchdowns on straight football, finding line bucks and end runs more effective than forward passes. Crookston relied upon forward passes in the latter part of the game, making their only touchdown on a forward pass in the last minute of play.
