

THE RED RIVER AGGIE

JAMES HANSON, Captain

playing his last year, was an outstanding man on the team. In the second game of the season he received a severe injury. Although hampering his effectiveness and fight somewhat, he nevertheless showed his continual fight on his side of the line and was always a stonewall to the opposing team. "Jim" could also be called upon to open big holes for the offensive. He will be missed next year.

ELMER MILLER

holding down his regular guard position for the second year, proved to be a giant on the line. Elmer was a good man on defense as well as an interferer for the backs on end runs. He will be remembered for his faithfulness and hard play.

WALTER LUCHAU

alternating at guard and tackle, was a valuable defense man. Walter was always in the thick of the fight and was a very dependable player.

THEODORE YSTNES

used both in the backfield and on the line, proved to be a valuable reserve. His speed and aggressiveness were his strong qualities.

JOHN COVLIN

although lacking foot ball experience, learned the fundamentals of the game quickly and was soon holding down left tackle. In this position he played creditably and helped to produce the charging effectiveness of our line. John should prove a valuable man for next year.
