

Home Coming Day

AN INDIAN summer day, the good condition of roads, and the large number of Alumni present, helped to make the 1924 Home Coming of October 18, an outstanding event. The campus was arrayed for the occasion in floating colors of Maroon and Gold, which added brilliancy to its natural beauty.

The home coming assembly ushered in the gala day. An inspiring talk was given by Mr. Selvig, in which he expressed the hope that the best team would win the game, and that nothing would occur to mar the pleasant relationship with our sister school Morris.

At three o'clock the foot ball game began, amid the cheering from the crowd. Between halves the Stephens Hall boys won a push ball contest with the boys from Senior Hall. Good sportsmanship and enthusiasm were evident, since the game resulted in a 34 to 0 victory for the Aggies.

In the evening the Alumni banquet was given in the Dining Hall, which was attended by a large number. Following the dinner, toasts, and musical numbers were given by alumni and faculty. From the banquet hall, one group went to the gymnasium to attend the dance; the other group went to the party in the dining hall. The spirit of the day was kept up, and no one lost the thrill of the event.

So near a perfect day was October 18, 1924, that it will go down in history as one of the best home comings ever held at the school.
