SHORT WALHAUG AAKRE OSTERLOH GIBBONS
APPLEQUIST FORSNES NELSON HUARTSON

AS THE school does not open until October, the basket ball teams are not organized until late in the season. Prospects for a good team were not of the best because so many of the candidates were in more activities than they could carry on satisfactorily with their work. This necessitated working with a large majority of inexperienced girls to make up the team.

Class teams have been organized and are being coached by Miss Schenck.
