## Music

THE work of the Music Department the past year has been enjoyed not only by the school, but also by the community. Students of music are frequently called upon for vocal or instrumental numbers which are given in Chapel, at Y. M. and Y. W. C. A. meetings, Monday evening programs, and at the Society meetings. The Glee Clubs and the Chorus appear at the Northwest School meetings held during Winter Shows week, the octettes and quartettes at Commercial Club dinners and other events that take place during the year.

This year a very good orchestra under the direction of Mr. Thorson has been organized. The other music instructors are Miss Bothne, vocal; Miss Tordoff, piano; and Miss Sherwood, violin.

Among the several musical events of the year, the recital given during Commencement week by Stella Carlson was the most important one, as it demonstrated the great progress she had made during the year. The selections of piano solos given by Miss Carlson were highly appreciated by everyone.
