

Faculty Recital

ONE of the pleasant and most appreciated features of the past year was the faculty recital which occurred on October 30. Miss Bothne and Miss Tordoff of the Music department, together with the assistance of Miss Simley and Miss Rupert of the English department, gave an interesting program consisting of vocal solos, piano solos, and readings. These recitals give the students a better knowledge and a more sincere appreciation of good music and readings and also add to the enjoyment of school life.

The first faculty recital was given last year by Miss Bothne and Miss Doken, both of the Music department. It is believed that this custom will become an annual event. The proceeds of these recitals are donated to the Northwest School Athletic Association.

Lecture Course

THE splendid lecture course given during the past year has been a source of great enjoyment to everyone. The course this year consisted of nine numbers which offered every variety of entertainment.

The "Priscilla Entertainers" gave the opening number on November 8. Their program was made up of numerous splendid readings and musical numbers.

On December 6, Professor Cochran of Carleton College came to the school and presented the play "Turn to the Right" which was greatly enjoyed by the whole audience. The remarkable feature about this was the ability with which Mr. Cochran acted the parts of the many different characters.

Mr. Briggs visited the school January 24. Everyone had a chance to laugh at his comical jokes and readings and the general opinion was that he well deserves the name of "Smiling Bob."

On January 31 the Men's Glee Club of the University of North Dakota gave a program consisting of chorus songs, solos, and impersonations, which was highly appreciated by the large audience.

Manlove arrived on February 28 and presented his program of impersonations to a well pleased audience. He is rightfully named as the "Man of Many Faces."

A series of four recitals given by musical artists of the University of Minnesota, Northwest School, and Crookston artists, were programs of the highest qualities of excellence. Artists such as Carl Scheurer, violinist; William Lindsay, pianist; and Gertrude Hull, vocal soloist, were secured. The fourth recital was presented by local artists of high quality, namely Miss Bothne, Mezzo Soprano; Miss Tordoff, pianist; Mr. Schweppe and Miss Macaulay, vocal soloists.

A green little Freshman
In a green little way
Drank a green creme de menthe
On a cold winter day.

The green little grasses
Now tenderly wave
O'er the green little Freshman's
Green little grave.
