BASKET BALL TEAM

WITH the close of the football season, athletic interest turned to basketball. A large number made tryouts for the team and a squad of twenty was kept working for some time. Positions on the team were never securely held due to the keen competition for each place.

Eight games have been played with the loss of only one — to the University High School at Grand Forks. The victory over Bemidji Teachers' College completed the season.

The success of the team has been due largely to the dependable and efficient playing of Loven as left forward, Krogstad as left guard, and Ofstedahl as right guard. Oscar Forseth, Karrol Gandrud, and Olaf Stenborg were reserves who could be counted upon.

With all due regard for the ability of the various teams played, the real contest of the season was staged in the first game when a hand-picked faculty team, ably coached by Mr. Hillmon, almost defeated the school team. Undoubtedly with a few days — or nights — more practice or a few minutes less play, the score would have been reversed.

In addition to the school team, each class had a team and the inter-class games afforded unusual interest. Although the girls team did not play any outside games, they received a thorough drilling in the game and will provide material for next year.
