The ladies all dote on our "Dave",  
And fondly they gush and they rave:  
But he says, "Let 'em cum  
With 'em all I'm ter hum" —  
So the ladies their breath never save.

Now Delmar, athletics hard-stressing,  
Attends to his boudoir and dressing,  
And the girls court his smile  
With the most demure guile —  
But I'll say that he keeps them all "guessing."

Affectionately Dedicated to the Campus Bachelors.

First Faculty Girl—"How would you like to have a D. H. L. for your steady?"

Second Faculty Girl—"I wouldn't give a D. A. M. for him."
