

Music

MUSIC is on second base! Let's see it jump to first! Although athletics is in the lead among school activities, music is close upon its heels. Music, as a part of school entertainment, has been developing rapidly the last three years. Among the student body, there are many with exceptional talent. The Girls' Trio, the Hay Shakers' Trio, the Foxy Five, the Boys' Quartette, and the Mixed Septette all gave a number of very interesting and enjoyable entertainments this year. Recitals by the pupils of Miss Gurley, Miss Tordoff, and Miss Sherwood have added materially to the music of the year. Although organized late, the orchestra made splendid progress under the able direction of Mr. Uggen.

The work of the Music Department has been enjoyed not only by the school, but also by the community. Those talented in this line are frequently called upon to entertain at farmer clubs and civic entertainments. At the Winter Shows they are an indispensable part of the program.

Many of the best singers had graduated but the new material was promising and under the splendid coaching of Miss Gurley, a successful Boys' Glee Club was organized this year. Several of the girls had been in former glee clubs so work in the Girls' Glee Club began at once and continued throughout the year with marked success. Belinda Sletten was a very efficient accompanist.

The Song Contest held December 17 was won by the Advanced Class with Seniors and Freshmen tying for second place and the Juniors third.
