Fourth row—G. Larson, Knutson, Sintak, Pearson, Weaver, Thibodo, Voaklander, Dahlberg, Cenfield, E. Ellinger.

CLASS HISTORY

The Class of '29 was assembled October 4, 1926; the largest class in the history of the Northwest School. As everything was new and strange to us, we greatly appreciated being assisted by the faculty and older students. Of course we could not hope to achieve wonders as Freshmen, but we have won our share of the laurels. We took first place in the interclass Stock Judging contest at the Winter Shows, second place in the Annual Song Contest, and second place in the class football games.

We are represented in all school activities; being on the Football Squad, in the Glee Club, in the Octette and in the Debating and Basketball squads.

We had our good times also; one we will long remember being the All Freshmen Party, held early in the year, where we became acquainted with our class-mates. The second term our class was increased by the addition of sixty more students.

Stanton Gandrud was chosen class president, and Miss Bede and Mr. Milligan our class advisers, to whose able guidance we attribute our success. We have daily tried to live up to our Motto, "Forward ever, Backward never." And as we go on through school we shall always try to keep that ideal before us.
