Aggies 58; Red Lake Falls 0

On Saturday, October 9, the Aggies, with less than a week of practice, met Red Lake Falls on our home field. The game proved an easy victory for the Aggies which is evident by the fact that the whole game was played in the visitors territory.

The game started with the visitors receiving the ball on the five-yard line. After only six minutes of play the Aggies made their first touchdown, Widseth carrying the ball over the line. Red Lake Falls received the ball again, this time on the fifteen-yard line. Being unable to make their downs, the Aggies took the ball on the 45-yard line and with straight football carried the ball down for a second touchdown. The place kicks after the two first touchdowns were blocked, which left the score at the end of the first quarter, 12 to 0, in favor of the Aggies.

During the second quarter, with a series of line plunges and end runs, the Aggies completely overwhelmed the visitors with the result that at the end of the first half the score stood, 38 to 0, in their favor, Confer, Widseth and Skatvold, all having touchdowns to their credit.

The third quarter was featured by Skatvold's 60-yard run through the opponents for a touchdown and Widseth's fourth touchdown after a series of line plunges and end runs.

In the last quarter the visitors showed up to the best advantage by holding the Aggies to one touchdown, Stenborg carrying the ball across the goal line for the final score.

Many new faces were present on the Aggie line-up, including Wardeberg, Luchau, Hole, Berggren, Confer and Dalos, all of whom showed up creditably. Much credit must be given the Red Lake Falls team for their clean sportsmanship and fighting spirit, although handicapped by lack of weight.
