Aggies 0; Mayville 33

The second game this season was with the strong Mayville Teachers College. It was played on the latter's field against a team of experienced football men. The Aggies, only having had ten days practice and minus some of their regular players, lacked their full strength.

The game started with the Aggies kicking off to Mayville who received on their ten-yard line. They then carried the ball to the Aggie forty-yard line, where the Aggie defense tightened and they lost the ball on downs. Taking the ball, the Aggies fought it back to their forty-yard line where they in turn lost it. Receiving the ball, the Teachers, by hard line rushing and short end runs, carried it across for the first was marked by the hard tackling of Widseth, the Aggie fullback.

Mayville kicked off, starting the second half and the Aggies downed the ball on touchdown. This was the only score during the first half. The play of this half their 20-yard line. A couple of successive first downs and they had the ball on their forty-yard line. It seemed as if they were on their way for a touchdown. But on the next play Mayville's left half intercepted a forward pass and ran for a touchdown.

No further scoring was done until late in the fourth quarter, when the weight and rough tactics of the Mayville players began to tell on the Aggies. The Teachers then put over three touchdowns, two of which were by long runs due to our men being pulled out of position. When the final whistle blew the Aggies had the ball on the Mayville 30-yard line and were making constant gains for yardage through the line.
