

HOMCOMING—MORRIS vs AGGIES

### **Aggies 19; Hillsboro 12**

On October 12, the strong Hillsboro eleven was defeated in one of the most spectacular games ever played here. Having won most of their games and with experienced players back, they were confident of victory.

The Aggies scored first after a drive down the field, making consistent gains through the line and around the ends. The Hillsboro team made many long gains by the aerial route, but never threatened the Aggie goal. The score at the end of the first half was 6 to 0 in our favor. Hillsboro, receiving the ball at the beginning of the second half, made a march down the field by many passes and end runs, which netted them a touchdown. They, too, missed their goal after the touchdown, tying the score, 6 to 6. From this point on, the Aggies started their real offense. Gandrud intercepted a forward pass and by clever manoeuvring, ran down the side line through the entire Hillsboro team for 70 yards before being downed. On the next play, the ball was shoved across the line and Skatvold place-kicked for the extra point. The next Aggie score came when Widseth went over for our third touchdown, after the ball had been carried from the center of the field by end runs and off tackle rushes by Skatvold, Stenborg, and Widseth. Hillsboro pulled a shoe string pass which was good for 50 yards and a touchdown. They missed this goal kick making the score 19 to 12 in favor of the Aggies.

### **Aggies 7; Thief River Falls 6**

The last game of the season was played on "Parents Day" before a large crowd. It was a hard fought game, as the teams were evenly matched in weight.

The game started with the Aggies kicking off. Thief River received and immediately started passing, but was unable to make any ground due to the defense of our backfield. They then started line bucks and short end runs. The Aggies were unable to stop them because of their good interference. The result was a touchdown for Thief River. They failed to kick goal. The Aggies then received the ball and by line plunges and fake plays, carried it across for their first score. "Scats" then place kicked and made the winning point for the Aggies.

During the remainder of the game, the ball see-sawed back and forth. Both teams threatened to score, Thief River failing when their pass over the goal went wide. Stenborg starred for the Aggies, and Berggren, Mackowiak, and Wardeberg also played a good game.
