

Advanced Class Team

Nelson Sheldrew Cartwright
 Stenborg Lewis Anderson Rudser Lillo

Although it had but a very small group of students to pick from, the Advanced team has made a record for itself in class basketball. They have defeated both Senior and the Freshmen teams in the first series of games played and must be reckoned with when the school championship is to be decided.

Senior Class Team

As is customary in basketball at the Northwest School, the members of the first team cannot take part in the interclass games. For this reason the aggressive players are well weeded out of the Senior Class. Nevertheless, the Senior team won third place in the interclass games, losing to the Advanced and Juniors, but winning over the Freshmen.
