

Junior Class Team

E. Torgerson C. Torgerson Spokely
 Berggren Stordahl Confer Roisum Wollebeck

The Juniors have shown their ability in basketball by winning all games to date. The outcome of the final game in which they will play the Advanced is not known at this time, but their chances for winning the interclass championship are good. Undoubtedly the Junior team will furnish good material for the school team next year.

Freshman Class Team

Due to their lack of experience in basketball, it is but natural to expect the Freshmen to lose to their more experienced opponents. In the games played the right spirit and fight were very obvious. This offsets the fact that they lost. With more practice, together with the right spirit, the Freshmen team will develop several good players.
