

Girls Basketball

Ness Blair Miss Gerber Breiland Buness
 Huartson Olson Kozojed Dobias Radniecki

Although the girls team has not been scheduled to play outside games to date, their enthusiasm for basketball has not decreased, and attendance at the practices has steadily increased. The freshmen have made a good showing and several will be real opposition for the upper classmen when they meet in a class game.

A team made up of Seniors and Advanced students met the Juniors in December and defeated them, 17-5.

Basketball provides opportunities for the girls to learn the rules, develop team work, and show sportsmanship.
