

Annual Field Meet 1926

EACH spring before the winter term closes, a field meet is held at the Northwest School. Good natured rivalry runs high between the three classes and there is keen competition for first place in every event. The field meet in itself consists of various athletic contests which include boxing, wrestling, running, jumping and other sports.

Last year the high honors of the meet went to the Junior class by a wide margin. The Senior class won second and the Freshmen third. Carl Widseth was high scorer with 28 points for his class. Doris Olson won the high honors for the girls by scoring 16 points.

Results

	First	Second	Third	Sen.	Jun.	Fresh.
