 HE school orchestra, under the direction of Mr. Elmer Uggen, is made up of a number of students who have become proficient enough on their various instruments to play together. These young people receive a fair knowledge of the principles of ensemble playing, and enjoy the many hours spent practising.

The reputation of the Jazz Orchestra was established when they performed for the Alumni Dance. The members of this orchestra are: Earl Luchau, saxophone; Harvey Evenson, banjo; Loren Parkin, drums; Chester Torgerson, cornet; and Miss Polski, piano.

The octette, lead by Miss Gurley, has also given the school many happy moments by singing, in close harmony, many new and old songs at various occasions during the school year.
