THE students of Northwest School are developed four square: mentally, physically, socially, and spiritually. The Young Mens and Young Womens Christian Associations are especially instrumental in building up the spiritual side of the students life.

During the school year Bible classes are held each Sunday morning in Robertson and Stephen Hall parlors, and each Sunday evening a student program or a talk by a local minister is given in the auditorium.

Great interest is shown by the students in these meetings and a large number are always present.
