

Homecoming Day

 THE Annual Homecoming Celebration for the Northwest School Alumni was held on Saturday, October 23. The Morris Aggies arrived Friday afternoon in good spirits and in high hopes of winning the football game. Many Alumni and former students arrived Friday evening, in time to join the students and faculty in their "pep fest." Great enthusiasm was shown by the members of our team at the meeting.

Saturday dawned bright and clear, and everyone was in gay spirits. The forenoon assembly was given over to the entertainment of the Morris Aggies. A mock football game was played between the two teams which resulted in a victory for the Morris team. Mr. Foker showed his skill as a cartoonist while the game was in progress.

The biggest game of the season was called at three o'clock. In spite of the fact that the ground was covered with snow, which had fallen steadily for about an hour, the boys held their ground and came out victorious with the score, 13-0. There were special attractions between halves, one of which was the arrival of Ole Breivold and family representing the class of 1910.

At six o'clock everyone gathered at the dining hall for the annual Homecoming banquet. Talks were made by the captain and coach of each team. A dance and party followed the banquet which ended the entertainment for a day thoroughly enjoyed by everybody.
