

School Activities

AUDITORIUM

Assembly Hour

Our school assemblies play a big part in the school program. Many of the programs are put on by students under the direction of Miss Simley and Mrs. Genung. At the beginning of the school year, the students had the privilege of hearing Gov. Christianson. There have been several other addresses given by prominent people of the surrounding community, and of outside towns. We have also been fortunate to be favored with several musical numbers given by representatives of the Department of Music from the University of Minnesota.

All these programs are entertaining and educational, and help to keep up the school spirit.

Armistice Day

November 11 was observed at the Northwest School by a larger crowd than ever before. Rev. Curtis of Crookston delivered the address, and the Misses Polski and Gurley gave several musical numbers in the auditorium. After the program, the students marched to the memorial, headed by Crookston's American Legion Drum Corps. Arnold Aakre, president of the Senior Class, placed a floral tribute to our dead on the monument. The sounding of taps ended the program.

Y. M. and Y. W. C. A. Reception

The Annual Reception for the new students, at which the Y. M. C. A. and Y. W. C. A. were hosts, was held in the gymnasium, October 9. Games and stunts were the entertainment for the evening, and refreshments were served. At the end of the evening, every little Freshmen felt that he was a part of the school.

Girls' Frolic and Boys' Pow-Wow

The first social event of the season were the Girl's Frolic at Robertson Hall, and the Boy's Pow-Wow at Senior Hall.

At the boys meeting, representatives from the different societies and activities talked until Freshmen jaws dropped in wonder at the opportunities afforded them. A wild scramble for apples ended the evening at the dormitory.

The girls started their frolic by introducing themselves, after which the Freshmen were initiated, and songs sung by all. The girls also scrambled for apples. The traditional serenading of the girls by the boys finished the first parties of the year for all the students.
