

Juniors

ON OCTOBER 4, 1927 we assembled for classes at the Northwest School for the first time, numbering eighty-five persons. We were here only a short time when our class was organized and Miss Brown and Miss Polski were elected as class advisers. During our freshmen year we participated in all interclass events and made creditable showing, especially in basket ball. Upon our return this fall we took up our school life just where we left it in the spring. The life of a junior is more strenuous than that of a freshman and we find our duties increased. Besides active participation in all the interclass contests, in which we made a good showing, we were hosts to the seniors at the Junior-Senior banquet, held March 11. This annual function was a great success and it was with sighs of regret that the guests departed.

As juniors we believe we have proved our loyalty to the school and we hope to all be back next fall to make the best senior class in the history of the institution.
