 Third row: Snartland, Schroeder, Huff, Nornes, Viding, Moen, Solmonson, Pearson, Eraker, H. Nelson, Schulz, R. Skoglund, Widdfield, Myers.

WHEN we came to the Northwest School of Agriculture last fall with an enrollment of one hundred and one, the largest freshmen class in the history of the school, we had no idea of the pleasures and changes that were being made in our lives nor have we as yet fully realized it. Our class was organized October 18 with Mrs. DeEtte Genung and Miss Grace Warne elected as class advisers. That we, as a class, are quite versatile is evidenced by the fact that a number of our members have made the school athletic teams. We won the highest honors at the annual outdoor festival, though we did take fourth place in the song contest. Twenty-one new members were added to the class during the second semester.

We, as the freshmen class, hope to accomplish a good standing for ourselves and always be an honor to the Northwest School.

—Ann Brandli

CLASS YELL

*Stand them on their heads
 Stand them on their feet
 The class of 1931
 Simply can't be beat.*
