 Bottom row: Forkelson, Kippe, A. Burk, I. Anderson, M. Burk, Schlauderaff, Berger, Bowman, R. Peterson, Sundseth.

Boy Scouts

THE Northwest Eagle Fraternity, an organization of Lone Scouts at the school, was formed for the purpose of promoting and stimulating character, citizenship, and leadership. The program of activities is unique and interesting, combining work and fun, and tending to build the scout physically, mentally, morally, and socially.

The activities of this organization include tribe meetings, hikes, good deeds, civic and individual, Scout exhibits, Scout gatherings, jamborees, rallies, parties, contests, and banquets. The members are always active in public welfare, while on the campus they look after the skating rink and its maintenance as well as taking care of the school flag.

Membership in the group numbers thirty-five, representing sixteen counties, and twenty-two northwestern Minnesota towns. The success of this organization is due largely to its Scoutmaster, D. H. LaVoi, coach and instructor at the school, and to Melvin H. Burk, a member of the class of 1928 and founder of the order.
