

She: "Did I ever show you the place where I hurt my hip?"

He: "N-no."

She: "All right, we'll drive over there."

Landlady: "This room is supposed to be haunted by a Scotchman."

Prospective tenant: "I'll soon get rid of him. I'll install a church collection box."

The minister was speaking to the small daughter of the house, "you say your sister Helen is the oldest and who comes after her?"

"Oh, a different fellow most every night."

Calamity Jane drops in to see a sick friend, "I just thought I'd drop in to cheer you a bit, Mirandy. My! how thin you've grown! You certainly look bad, dearie. You're as white as a ghost. I was just thinking as I came up the narrow stairs, what a hard time they would have getting the coffin down. Well, I must be going now. I just thought I'd cheer you up a bit. #### WHAT A FOOTBALL THINKS ABOUT DURING A GAME

So many players handle me that I ought to be called a handball.

I think they laced me up too tight in the back.

I'm just like a woman—it takes a good line to stop me.

I wish that referee would stop pawing me around; he's got warts on his left hand and they tickle.

I sure am a "skin you love to touch."

These fellows on the teams are always kicking about something, and

I'm the something that's being kicked about.

Many a woman would like to be hugged as often as I am.

What a nice pig I turned out to be.

#### HE WAS SO DUMB:

He thought the cat's pajamas was a sleeping garment.

He thought a baseball diamond was a precious stone.

He tried to blow a shoe horn.

He thought the milky way was a road to health.

He thought five senses were a nickel.

He thought Sing Sing was a Chinese opera house.

He thinks skiing is an astronomer's pastime,

He thinks an oil range is a mountain chain in Oklahoma.

He thought a cowslip was a hole in the pasture fence. —Exchange

#### DID YOU EVER SEE:

A cowslip through the gate.

A horse fly in the store.

A board walk up the street.

A stone step by the door.

Morning break the gloom.

Night fall on the lawn.

A clock running in the room.

A peanut stand up high.

A sardine box in town.

A bed spring at the gate.

And, ink stand on the ground.

The popular permanent wave;

Now it's up to some struggling inventor,

To get out a permanent shave.

"Yee viss!" yelled a little Swede in the audience, "aye vish you would open a grocery store here."

Seeing a young lady alone, a young man stepped up to her and said, "Pardon me, you look like Helen Brown."

"Yes," she replied, "I know I do, but I look far worse in white."

Two fathers were speaking together and the first one said, "What do you expect your son to be when he graduates?" The second father replied, "I expect him to be an old man."
