The 4H Club was organized at the Northwest School by active club members for the purpose of promoting good fellowship and training for more effective leadership. Meetings are held once a month to conduct model, well-balanced programs that can be carried out in the home communities. These programs include training in parliamentary procedure, humorous selections, readings, music, project discussion, individual and team demonstrations, one-act plays and recreation.

As a result of their community activities the past year, eight club members received fifty dollar scholarships through the Caleb-Dorr fund.

The winners are as follows:

Arthur Grove, Mahnomen	Estelle Philipp, Pennington
Orville Ingebretson, Becker	Roy Boman, Norman
Halbert Johnson, Ottertail	Lawrence Harstad, Polk
Grace Melander, Clearwater	Richard Radway, Roseau

Other members of this group receiving scholarships were: George Schultz, Herbert Schroeder, and Herbert Kronemann of Fergus Falls; Allan Hoff of Dalton, and Herbert Hanson of Fisher. These were furnished by local business men and commercial clubs of West Ottertail county and the Red River Valley Dairyman's Association.
