

Campus Dust

If you don't like our jokes, and their dryness makes you groan, why didn't you come around with some good ones of your own?

Stanton: "I understand that a thief stole your car while your back was turned?"

Brinky: "Yes, I didn't like to laugh in his face."

Evelyn B.: "Who is that ugly brute with you?"

Alice N.: "Hush, he's my latest. I want you to know that beauty is only skin deep."

Evelyn B.: "Well then take him home and skin him."
