PHILOSOPHY

DISCOVERED—Rumor has it that the huddle system in football was devised by a coach who saw some Scotchmen lighting their pipes.

John Pearson—"Pity the poor flea, who realizes that all his children will undoubtedly go to the dogs."

Harold Johnson—"A ripe old age is nothing to brag about. Consider the tomato."

Lester Tangjer—"Why, I've got brains I haven't used yet."

Lawrence Peterson—"The Early Bird has to get his own breakfast."

A HINT TO MR. GEORGE HILLMON

On Stunt Night, a case hardened steel curtain should be used, as ordinary asbestos will not withstand shocks received from flying brickbats, decaying hen fruit, tomato cans, and other utensils.
