

Advanced

Many "Aggie" graduates have availed themselves of the opportunity for re-entering the doors of their Alma Mater as advanced students, some for preparatory work to enter college, others for more practical knowledge of farming and homemaking. Among the members of the '31 advanced class are representatives from the classes of '28, '29, and '30.

Our work in the various activities outside of our class room work has been indeed pleasing. We have proven ourselves as good sportsmen, which above all—is the most important.

Our Aggie days now come to a close and may the classes in the years to come uphold our Aggie spirit.

A LITTLE SONG OF LIFE

| | |
|-----------------------------|--------------------------|
| Glad that I live am I, | After the sun the rain, |
| That the sky is blue; | After the rain the sun; |
| Glad for the country lanes, | This is the way of life, |
| And the fall of dew. | Till the work be done. |

All that we need to do,
 Be we low or high,
 Is to see that we grow
 Nearer the sky.
