## The Freshmen Class

When the school opened on September 29, sixty students enrolled as Freshmen. This is the smallest Freshman class for some time but ours has been made up by our dauntless class spirit.

On October 5, 1930, our class was organized and Miss Hildur Peterson and Mr. Robert Connery were elected class advisers. Paul Ingebretson was elected president; Harriet Severson, vice-president; Glendon Anderson, treasurer; Francis Hetland, secretary; Rodney Lindstrom, cheer leader.

Of course we could not expect to achieve great honors as Freshmen but we have had our share of the honors.

We have made a good start in all our undertakings. In the song contest we lost to the Seniors and Advanced, but won over the Juniors.

The big event of the Freshman year, after the song contest, is the Freshman party in the cafeteria. By this time the call has been augmented to number seventy-three, and although we had been in school but a few short months we felt more and more the tightening bonds of class spirit.

The Freshman pep squad last fall provided their share of enthusiasm; they appeared at the Homecoming game in small orange and black caps, the colors of the Class of 1933, to add to the festivity of the occasion. Our yell expresses the pep which we have as a class.

"BOW-WOW-WOW! KI-YI-YI!  
 FRESHMEN, YEA!"
