

R. J. CHRISTGAU

Coach R. J. Christgau has proven himself to be a man who knows football and basketball. During his two years of administration as head of Physical Education, the Agricultural school conference title has come to our school twice. The first title came to us in basketball, during the season of 1929-1930. The second title came in football during the 1930 season.

It is not surprising that Coach Christgau has made this record of which we are all so proud as he came to us from the University of Minnesota with an enviable record as a player and leader of men. He played catcher on the Varsity baseball team for three years and he was captain in his senior year. He was also a member of the football and basketball squads.

He has won a place in the heart of all the loyal players of the Northwest school, and they all join in wishing him much luck and success in whatever fields he may venture, in the future.

Two Reasons Why We Win

During his two years at the Northwest school, Coach Christgau has been assisted in the work of coaching of both football teams and basketball squads by Assistant Coach Elwyn Ocock who is a graduate of the University of Illinois.

In football, Assistant Coach Ocock has worked with the second team in such a satisfactory manner that they have provided some stiff competition for the first team.

He is also the coach of the basketball second team who have proved to be worthy opponents for the first string men. Mr. Ocock also teaches a number of gym classes.

Mr. Ocock comes to us with an enviable record, having played tackle four years on a high school team. He is also engaged in the teaching of Agricultural Engineering and Shop-work.

The entire football and basketball teams and squads wish to extend to him nothing but the best of luck and success in the future.

E. L. OCOCK
