

Kittenball Winners

TOP ROW: Schoedar, Berger, Erickson, Soderberg, Donley, Schulz.
FRONT ROW: Hviding, Hanson, H. Nornes, MacDonald, B. Nornes.

Kittenball

An innovation in intra-mural contest during the past school year was the kittenball tournament held early in the fall semester. Eight teams selected by floors, in the two boys' dormitories, composed the leagues. A schedule of seven games each or a total of fifty-six games was played during the course of the tournament. When the schedule was completed the "Athletics" finished on top with a record of six victories and one defeat.
